CONSTRUCTION AGREEMENT

FOR

SUBDIVISION STREETS

This Agreement made and entered into this ____ day of _____, 20____ by and between the State of Delaware, Department of Transportation, as First Party, hereinafter sometimes referred to as DelDOT, and _____ as Second Party, hereinafter sometimes referred to as Developer, whose address is

_____.

WITNESSETH:

WHEREAS, Developer intends to construct subdivision streets in a public subdivision known as _____, a recorded subdivision in _____ and,

WHEREAS, DelDOT will assume the maintenance of the subdivision streets listed below in this Agreement following the construction by Developer as approved by DelDOT.

NOW THEREFORE, for and in consideration of the mutual covenants, hereinafter stipulated to be kept and performed, it is agreed between the parties as follows:

- 1. Developer shall construct the subdivision streets listed below in accordance with the approved street construction plans on or before the completion date of _____, 20____:

Street Name	From	To	Length

DelDOT Development Coordination Manual

Developer agrees that all construction shall be in accordance with the approved construction plans, DelDOT *Standard Specifications* in force on the date of this Agreement, Special Provisions for non-standard construction items and DelDOT *Development Coordination Manual* .

2. Developer agrees to provide DelDOT with a Security Agreement using the following table:

Unit Value of Security per Linear Foot (lf) Table					
		Curbed Section		Uncurbed Section	
Subdivision Street Type I		\$33.00 / l.f.		\$ 23.00 / l.f.

3. Prior to the start of construction Developer shall attend a preconstruction conference scheduled by DeIDOT. No work shall begin within the dedicated right-of-way until a Notice to Proceed has been issued by DeIDOT.
4. DeIDOT will provide periodic inspection to ensure that construction activities are in accordance with approved plans, specifications and subdivision regulations. Developer shall provide DeIDOT with access to all parts of the work and furnish such information and assistance as is required by DeIDOT to make a complete and detailed inspection as described in the *Standard Specifications*. Deficient items found on periodic inspections shall be corrected by Developer to the satisfaction of DeIDOT.
5. During roadway and street construction Developer agrees to control traffic in a safe manner in accordance with the *Delaware Manual on Uniform Traffic Control Devices (Delaware MUTCD)*.
6. Installation of utilities shall be in accordance with DeIDOT's *Utilities Design Manual*. Developer agrees to coordinate construction with the utility companies in accordance with the requirements of DeIDOT.
7. Regulatory signs and street signs shall be furnished and installed by Developer in accordance with the *DeIDOT Development Coordination Manual* and the *Delaware MUTCD*. Sight triangles shall be cleared in accordance with the aforementioned Standards and Regulations.
8. DeIDOT may require revisions to the construction plans due to errors or omissions, field conditions or changed circumstances.
9. Developer may make a written request to DeIDOT for revisions to the approved construction plans. Such request, if approved, shall be approved by DeIDOT prior to the start of the proposed construction revision.
10. Subdivision streets and the contiguous highway system shall be kept clear of mud and debris by Developer as a result of construction activities at all times.
11. Developer shall request DeIDOT to make semi-final and final inspections when the construction activities are complete. Developer agrees to complete all work including those items of work listed in the semi-final inspection report to the satisfaction of DeIDOT on or before the Completion Date specified in Section I of this Agreement.
12. Developer shall furnish DeIDOT an as-built print of the approved construction plans with revisions annotated in red to indicate plan revisions and a copy of a letter from the County Department of Public Works stating that all construction work required by County has been completed to their satisfaction.
13. Developer shall save harmless DeIDOT from all unpaid bills, debts or obligations of whatever nature owed by Developer to any person, firm, corporation, subcontractor, supplier or the like arising from the subdivision street construction.
14. Failure to complete the subdivision street construction in accordance with this Agreement shall result in forfeiture of the security furnished to DeIDOT for liquidated damages and such other action as may be permitted by the State of Delaware Code. Maintenance of the subdivision streets including snow removal when greater than 4" of snow falls, listed in this Agreement shall remain the sole responsibility of the Developer until construction shown on the approved construction plans and

DeIDOT Development Coordination Manual

approved plan revisions has been completed by Developer, his heirs and assigns, and accepted by DeIDOT. Following street acceptance, DeIDOT shall be responsible for street maintenance.

- 15. The Developer and their heirs, successors, assigns and agents guarantee the streets listed in this Agreement against the failure of the pavement or drainage for three years from the date of acceptance by DeIDOT. This is a good faith guarantee which shall not be cause for the DeIDOT to retain the completion security, but failure to comply may be cause to require a 100 percent security in future cases.
- 16. This Agreement constitutes the sole understanding by and between Developer and DeIDOT and nothing outside this Agreement shall be construed as an alternation, modification and/or revision hereof. This Agreement shall not be modified except in writing subscribed by both parties.

IN WITNESS WHEREOF, the parties hereunto have caused this Agreement to be executed in triplicate, the date first above written.

FOR THE STATE OF DELAWARE DEPARTMENT OF TRANSPORTATION

Final approval for the complete construction of the aforementioned streets will be granted upon execution of Construction Agreement Number _____ and the approved construction plans.
